Family Life

We're a discussion-based group that does life together, fostering faith and family. We meet **Sundays at 9 a.m. in the Dakota Room** for discussion and fellowship. We also have weekday guys' and girls' Bible studies, guys' and girls' nights, and family hangouts for those with kids. Outside gatherings are announced in class.

Email familylife@westbowles.com for more info.

Homebuilders

We're a group of people learning how to build strong, Christ-centered families—with room at the table for single parents, couples, and anyone in between. We meet **Sundays at 9 a.m. in the Columbine Room** for practical, Bible-based teaching and open discussion. We also get together for fun monthly activities, which we announce in class. Email homebuilders@westbowles.com for more info.

Bible Roundtable

We're a group of people who love digging into God's Word together, with space for your questions, thoughts, and insights along the way. We meet **Sundays at 9 a.m. in the Chatfield Room** for a laid-back, discussion-based Bible study that's all about real conversation and growing in faith. It's a welcoming spot to connect and be part of an encouraging community. Email bibleroundtable@westbowles.com for more info.

Best Years Yet

We are a welcoming group for senior adults wanting to grow together through the study of God's Word. We meet **Sundays at 9 a.m. in the Music Room** downstairs for teaching and Bible study, with occasional events and get-togethers announced in class. Anyone who considers themselves a senior adult is invited to join our Christ-centered community! Email byy@westbowles.com for more info.

Open Door Class

We are a "no frills" group for anyone looking for a place to belong. We meet **Sundays at 9 a.m. in the Gathering Place Conference Room** behind the coffee bar for simple, meaningful teaching and study of God's Word. This group is open to anyone and everyone who desires to dig into the Bible and share in community on Sunday mornings! Email opendoor@westbowles.com for more info.

The Bible Project

We use the Bible Project curriculum to explore Scripture's themes and truths in specific books. Join us **Sundays at 9 a.m. in the Chapel Sanctuary** for a video teaching and teacher-led small group discussion. Open to all—whether you're new to the faith or a lifelong believer—this class offers a welcoming space to deepen your understanding of God's Word. Email bibleproject@westbowles.com for more info.

PurposeFull Season

We're a class exploring how to cultivate well-being and purpose in the "third third" of life, seeing how God continues to call and shape us beyond full-time careers. Each week features a short video and small group discussion. We meet **Sundays at 9 a.m. in the Library**—join us for connection and fresh vision for what's next. Email ps@westbowles.com for more info.
